Here are some highlights from the above link of some of the offerings of interest to those in K-Grade 4:

AbdoZOOM Animals
Young readers will explore 160 pages of fascinating and interactive animal content in depth! Animals can be easily filtered by geography, habitat, and classification. Topic tabs feature overviews, characteristics, life cycles, feeding habits, personality traits, history, and more. With read-along audio, beginning readers can go on an adventure with their favorite animals!

AbdoZOOM Biographies
With 160 compelling biographies to choose from, young readers will learn about the lives of important people and their contributions. Each biography is broken down into easy-to-read, chronological sections, focusing on each person's impact, early life, rise to fame, breakthrough, legacy, and more. Enjoy a diverse list of important figures from yesterday and today, including inventors, explorers, entertainers, athletes and activists.

AbdoZOOM STEAM
Young readers can explore more than 100 topics through the lens of how they relate to Science, Technology, Engineering, Art, and Math. Each topic is broken down into sections about the five STEAM categories. Plus, a special art project helps spur creativity. With read-along audio and colorful pictures, this database is a great introduction into the wide world of STEAM!
