

Roaring Brook School Budget Narrative 2022-2023

Roaring Brook School is a PK-4 Elementary School currently serving 526 students. Direct instruction is provided by our 30 classroom teachers, 9 FTE special education teachers (including SLP and OT), 1 FTE School Psychologist, 1 FTE Social Worker, 1 FTE Reading Consultant, and 5 full time and 5 part time (shared with PGS) Specials/Essentials Teachers (Art, Music, Language, Wellness, Library). They are supported by 2 full time administrators, 1 curriculum specialist, 2 office staff, 25 para-educators, 3 intervention tutors, and 5 teaching-assistants. Our historically steady enrollment means a relatively steady number of teaching staff heading into fiscal year 2022-23, with the only change being for enrollment purposes (our rising Grade Four bubble which will necessitate an increase of 1 FTE in classroom teachers to 31 total).

2021-22			
Grade	# of students	# of sections	Av. class size
PK	63	5	13* (*in class)
K	77	5	15*
1	93	5	19*
2	95	5	19*
3	119	6	20*
4	79	4	20*

2022-23			
Grade	# of students	# of sections	Av. class size
PK	70	5	14
K	100	5	20
1	80	5	16
2	95	5	19
3	95	5	19
4	120	6	20

Steady investment over the past years in teacher resources and curricular enhancements, such as the introduction of the Workshop model for writing instruction, the full implementation of a social-emotional program, and the introduction of a new universal assessment/progress monitoring tool known as AimswebPlus last year, affords us the chance to submit another appropriate, reasoned set of budget requests this year. Our budget continues to support the day-to-day instruction that helps promote success for all students and follows the vision set out by our Blueprint for Excellence.

This year's requests, given the positive progress we've made in terms of programs and professional development, puts RBS and APS in a great position looking forward. Unlike in some previous years with budget proposals that were largely flat, there are some investments this year that are needed to continue this positive momentum. Most notably, there are increases needed for full implementation of our new Workshop model in both writing and reading in lines specific to that goal, such as in textbooks and language art lines, etc.

We are also seeking one increase as it relates to personnel. As we see the increase in the significance and acuteness of need that our primary grade students are bringing to school, I am requesting that we fund and hire one paraeducator or teaching assistant per each Kindergarten classroom. Having two trained adults in those K rooms will help facilitate the increase in independence and self-regulatory skills needed as students transition into the K-12 continuum for the first time. These adults will assist in ensuring equity of access to our curriculum for all learners!
