

Dear Parent,

CONGRATULATIONS! How proud you will be on that day when your child's name is read off and he or she is recognized for the hard work they've done these last four years at Avon High School.

Despite the ever-changing state of the world today, Nutmeg TV was still on hand to capture that video moment! We take great pride in the quality product we produce and know that you will enjoy it for years to come and share it with family members who were unable to attend this special day.

The bottom of this letter is the information you will need to secure a copy of your child's graduation. There are many options available for you to purchase a copy, including check, cash, and credit card. Also, we can offer either DVDs or Digital Files of the Graduation for your enjoyment. For additional information, please call us at 860-321-7405 or email nutmegtv@nutmegtv.org.

Nutmeg TV would like to thank you for the opportunity of sharing and being a part of your child's graduation.
