

- Today is Friday, May 8. We are following the B day [schedule](#).
- **"We don't quit, we don't cower, we don't run. We endure and conquer."** - Kobe Bryant. Submitted by Hannah Young, class of 2020.
- **Student Government** will be hosting "**Community Appreciation Day**" this week as an opportunity to thank those in your life who have been going above and beyond. Send us a quick 10 second video of you saying thank you to someone who has been an everyday hero during this unprecedented time. This could be a family member, friend, or acquaintance who is working as a nurse, grocery store worker, doctor, police officer, or someone who has been there for you during these tough times. Additionally, many families have taken to putting signs with red hearts in their windows or in their front yard. Send us a picture of your heart to be included in the video.

All videos and photos can be sent to hayesa20@avon.k12.ct.us. Once the video is completed, the student government will randomly select 3 video participants *and* the people that they are thanking to receive gift cards to local businesses.

Video entries can be submitted until 5pm on Saturday, May 9th.

- May 4-8 is Teacher Appreciation Week. Consider sending a brief email to any of your teachers, past or present, to express your appreciation.
- *My favorite teachers for many years have been my students. Both in and out of the classroom, they have enriched my thinking and deepened my sense of what it means to be human.* - Anonymous AHS teacher.
- **Favorite Memory of a Teacher:** Click [here](#) if you want to read the new entries. Thank you to those who participated.
- Need extra help? Let your teacher know during class, send an email with your question, or set up a time to "meet" to get your questions answered.
- Stay healthy and keep making good decisions.
