My fifth grade teacher, Miss Hamilton, always had us working on projects, outside doing activities, creating a real sense of classroom community. She was married during the summer after school that year. The entire class was invited to the wedding ceremony at the church. I was one of two students who served as an altar boy at her wedding. And, one of two students, with our parents, who attended the reception afterward! Mrs. Engle sent me a wonderful thank you note a few weeks later. - Mr. Renkawitz

- Need extra help? Let your teacher know during class, send an email with your question, or set up a time to "meet" to get your questions answered.
- Stay healthy and keep making good decisions.
