

# IMAGINE FLOAT

Imagine Float is seeking a part-time **Wellness Associate** to assist in the day-to-day operations of our boutique float and wellness center.

Working at Imagine Float offers proximal exposure to a fast-growing field of health, wellness and self-care. Students studying exercise science, science, sociology and psychology will find working at Imagine Float offers real world experience by interacting with clients who come in seeking relief from chronic pain, anxiety, depression, stress and athletic recovery.

While the duties of the **Wellness Associate** are straightforward we place an emphasis on kindness, patience, and empathy toward each and every client. It is of the utmost importance that all Imagine Float team members exercise constant awareness and sensitivity. Every task completed is to positively impact our client's lives with potentially life-changing effects the services at our center can offer. Because we are a small team, we are collaborative. We are therefore seeking an individual who, while being efficient and productive, exudes relaxation, health and "calm under pressure."

We require that every team member be cross-trained and willing to step in and help each other out at any time, doing anything related to the smooth and efficient running of Imagine Float. The services you will assist with are Floatation, Infrared Sauna and Compression Therapy.

All team members are required to go through our "on the job" training program. The Wellness Associate position will be based in Avon, CT and will work under the founders/owners.
