Avon Middle School's Virtual Family Open House

7th Grade Open House - Wednesday, September 16th, 6:30-8:00p.m.

8th Grade Open House - Thursday, September 17th, 6:30-8:00p.m.

On behalf of the entire faculty and staff of Avon Middle School, we are thrilled at the chance to meet our students' families in just a few days! While the format may look different than a typical Open House, the excitement feels the same, and we are so looking forward to another great Open House program.

This year, Open House will be held via google meet links. Both nights will begin promptly at 6:30 p.m. and conclude by 8:00 p.m. Each academic team will present a general introduction and overview of the middle school. Families will click into their student's team link for the time allotted, then click into their student's team unified arts link or world language link for the time allotted and wrap up in either UA or world language (depending on the rotation below).

When joining your student's team specific google meet links, you can join by computer/smartphone with the hyperlink in each table or by calling in by phone.

If joining by computer/smartphone, please join the google meet with your camera and microphone off, and select the "highlight speaker" view when prompted. This will ensure that all families can see our AMS faculty who will be presenting, to start, and the teams will then provide guidance on how and when families should turn their camera and/or microphone on to interact and ask questions. There is a chat box feature that can be used to ask questions throughout the program as well.

If you have any questions, please do not hesitate to reach out to your student's team leader, school counselor, or either one of us.

Stay well,

Dave Kimball
