Dear AMS Families,

This correspondence is meant to inform you about a student group that was formed at AMS last year, the **Principal's Advisory Council**. Please take a moment to read this letter and discuss its content with your student. This week, we were able to connect with many students through their science classes, and will continue to do so in an effort to explain the goal of the council, and let students know we would send this email and information on how students can participate to parents today. Below are the particulars.

Purpose:

The purpose of the Principal's Advisory Council (PAC) is to provide students a voice in the decisions that help shape the culture of Avon Middle School. By working in concert, the student body and the principal/assistant principal can collaborate on ways to improve the learning and social experiences at AMS for all students.

Commitment:

All Avon Middle School students are welcome to attend the PAC meetings any time throughout the year. All meetings will be held virtually through a google meet link: [Principal's Advisory Council meet link](#). Students will also be invited to join the Principal's Advisory Council Google Classroom where reminders about meetings will be posted- students can also join the virtual meetings through the link that will "live" in the google classroom.

Meeting Dates:

I plan to meet with the PAC on the second Tuesday of every month from 4:00-5:00 p.m. The proposed dates are below. If school is canceled due to inclement weather, then the meeting will be canceled and the council will reconvene at the next scheduled meeting.

Tuesday, October 13th	Tuesday, November 10th	Tuesday, December 8th
Tuesday, January 12th	Tuesday, February 9th	Tuesday, March 9th
Tuesday, April 20th	Tuesday, May 11th	Tuesday, June 8th

Thank you for your time, and I look forward to getting this advisory council in place for the school year and hearing the advice and ideas of our fabulous young people. If you should have any questions, please do not hesitate to contact me.

Stay well,
Dave Kimball
