Good afternoon AMS Families,

Thank you to all of our cohort one and cohort two families for your cooperation in arriving for parent pick up no earlier than 2:50p.m. Dismissal has gone much smoother this week, as our buses have been able to move between AMS and TBS without significant traffic obstacles.

As a reminder, if you're picking up your student at the end of the school day, please plan to arrive no earlier than 2:50p.m. and pull all the way forward in the pickup line to expedite the traffic flow.

Attached to this email, you will find a document outlining each [team's specific bell schedule](#). As we alluded to in our Friday correspondence, the bell schedule in PowerSchool is general, as we cannot upload the five simultaneous bell schedules in that system. Please review your student's team specific bell schedule and let your team leader know if you have any questions.

Thank you!

Stay well,
