October 6, 2020

Hello AMS Friends and Families,

We wanted to send a brief update to our families on our first day of our full reopening week.

The day was fantastic- students' (in person and remote) energy was high in the classroom, in the hallway, in the cafeteria, and at arrival and dismissal. We continue to be impressed by our students' adaptability and grace as they navigate an educational environment that is unprecedented.

Thank you to our families for your adjustment and flexibility in our drop off/pick up procedures. One important note- **do not pass other parents in the drop off/pick up area**. Also, please do not make any U-Turns/K-Turns in the main driveway or drop off area. Please proceed through the traffic pattern and exit with all other vehicles.

If you feel that it is a viable option for you and your family, we do suggest that you have your student take the bus. It is one of the few ways we can decrease the number of automobiles moving in and out of the school parking lot. Again, like all things in this environment, we understand that it is a personal choice, and we respect and support whichever decision you feel is best for you and your family.

Stay well,

*Dave Kimball*
