Hello AMS Friends and Families,

Cold weather is truly setting in these days. For those of us who appreciate winter sports and activities, low temperatures are welcome. For others, not so much. Still, there is something captivating about New England in the winter. The right light and a little snow and you have yourself a postcard moment.

Just a gentle reminder, if your child is not feeling well, please keep them home. In our current state, we as an entire school community are taking every precaution we can to keep all students and staff safe. If there is any possibility that your child could be exhibiting any symptom of COVID-19, it is better to be overly cautious. If any questions arise about whether to keep your student home or not, or questions about learning remotely while home, please reach out to us at any time.

It's hard to believe that we're typing this but the end of the second quarter (and semester 1) is on Tuesday 1/26. Q2 grades will close that day and report cards will be available February 5th. Quarter 3 (and semester 2 unified arts) classes will begin on Wednesday 1/27. We will open the PowerSchool portal for your students to view their semester 2 unified arts (if applicable) on Tuesday.

As always, if we can be of any assistance, please reach out at any time.

Stay well,

Dave and Kristina
