Dear Parent/Guardian:

As a follow up to our message on Friday, we challenge you and your family to take a moment at the dinner table, in the car, or as you're running out the door in the morning to consider- what are you grateful for? If you are comfortable (anonymously) submitting your family's reflection of gratitude to our [AMS Thoughts of Gratitude](#) google form, for us to compile into a schoolwide google slide presentation, we would love to hear from as many of you as possible! Please submit any entries by Tuesday morning. Thank you!
