March 23, 2020

Good Evening AMS Families,

We wanted to send out one more correspondence to families to be sure that all of our students have a device that they can utilize during our remote learning period.

If your student needs to utilize an Avon Public Schools device (Chromebook) during this period of remote learning, please email David Kimball (dkimball@avon.k12.ct.us) and Kristina Wallace (kwallace@avon.k12.ct.us) by 5pm on Tuesday, 3/24/20 with your student's name and the best contact phone number to reach your family at. Follow up correspondence with more details will be sent to individual families, based on emails received, regarding device pick up.

Thank you for your continued partnership- hope you and your families are healthy and safe.

Sincerely,
Dave Kimball
