May 29, 2020

Hello AMS Friends and Families,

The trees look a little greener, and the days are a bit warmer, so yes, it looks like summer is headed our way. We hope both you and your family are well. With June a few days away, we are definitely headed into the home stretch of the school year. If you had asked us months ago what we imagined the end of the school year would be like, this would not have crossed our minds. This is an experience for all of us, one we will carry with us for years to come.

With all of that said, we want to thank you once again for all your support during this time, and your willingness to partner with us to provide our students the best possible experience we can.

Enjoy your weekend, and stay well,

Dave and Kristina

Here are a few items to share:

[New Items](#)

Pass / Fail Option

This is a reminder that the deadline for a Pass/Fail option is June 5th. Here is a [link to our 5.11.20 memo](#) explaining the particulars. If you or your student have questions on the pass/fail option, please contact your student's team of teachers, school counselor or administration.

Closing out the "School Year"

Information was shared with 8th grade students and families this week about end of year celebrations in preparation for their promotion to high school. As a reminder, students need to submit the google form to "order" (free of charge) their 8th grade t-shirt by Monday at noon. The link to submit their order is here: [8th Grade T-Shirt Order Form](#) (please be sure students are logged into their Avon Public Schools account to complete this form). Secondly, students need to submit their Virtual Class Night google slide through the Class of 2024 google classroom by Wednesday, June 3rd. Please contact us with any questions on this.

Student Items left at AMS and Yearbooks

Information will be shared at the beginning of next week regarding student material return/pick up. We are creating a plan for our yearbook distribution as well - [Here is the link to our AMS Yearbook Ordering Form](#) if you'd still like to purchase one.

Principals' Advisory Hangouts-

Once again, it was wonderful to catch up with students. Over 100 AMS students took time out of the afternoon to meet with us to provide us feedback on how things are going for them, and simply to catch up. We are always impressed with the insights our students have to offer, and we are appreciative of their willingness to meet with us.

AMS Art Gallery

Tuesday is an A Day

As a reminder to students, Monday, June 1st is an A day. It is expected that students are attending the "required" google meet weekly for their classes and engaging in their schoolwork daily. Teams are continuing to send out correspondence to students and families, via google classroom and student/parent email accounts, with updates on assignments.

Previously Distributed Information

Avon Community Supports

Here is a link to some of the [Avon Community Supports](#).

Updated SNAP Benefits information

Students who are receiving free/reduced lunch will qualify for additional funding in SNAP benefits. [Here is the link.](#)

Field Trips and Musical reimbursements (Broadway trip, music trips, Musical)

With all of our field trips canceled for the year, we held out some hope that we would return to school and possibly be able to attend our end-of-year field trips. Now that we are officially not returning, we will begin the process of reimbursing funds to families.

- For those families who paid via check, if we have already deposited your check, we will send you a reimbursement check in the same amount through the mail.
- If you paid by check, and we have not cashed it, we will return your uncashed check to you through the mail.
- If you paid cash, we will reimburse you via check, which we will mail out to you.

With the roughly 300 checks that need to be created, signed, and sent out, we ask for your patience. We will work as fast as we can, though our current situation limits our efficiency.
