Hello AMS Friends and Families,

Today's correspondence centers around a few end of year updates: student material pick up and return, closure activities amongst the teams, and a reminder on 8th grade end-of-year celebrations.

Student Material Pick Up/Return

The second page of this letter outlines the schedule and procedure for students to return and pick up their school and personal materials. Please review this information closely and reach out to us with any questions. In order to ensure a smooth and socially distant process that day, it is critical that the outlined procedure is followed. Students are welcome to come and wave goodbye to teachers. ***Please note- students who borrowed Avon Public Schools chromebooks will hold onto the chromebook and charger for the summer.***

Closure Activities

During our final week of school, students will visit various google meets with their teachers to "close out" the year. Students should plan to attend their typically scheduled world language and unified arts google meets on Monday, June 15 (B Day) and Tuesday, June 16 (A Day). Information will come from your student's specific team about how they will close out the year on the last day of school, Wednesday, June 17.

Pass / Fail Option

This is a reminder that the deadline for a Pass/Fail option is June 5th. Here is a [link to our 5.11.20 memo](#) explaining the particulars. If you or your student have questions on the pass/fail option, please contact your student's team of teachers, school counselor or administration.

8th Grade Celebrations

For our 8th grade families- please encourage your students to submit their personalized google slide to be included in the 8th Grade Virtual Class Night presentation! Submissions can be done through the Class of 2024 Counseling google classroom.

Please reach out with any questions,

Dave and Kristina

Avon Middle School Student Material Return/Pick Up Procedure

Below is the schedule that we have developed for students to return their textbooks and pick up their personalized “end of the year” bag. Families have been assigned time slots, based on their student’s team and their student’s last name. We will have your student’s materials prepared during their assigned time slot. If you have an extenuating circumstance that conflicts with the day and time assigned, please contact us as soon as possible.

We ask that you:

- create a sign to have your student hold up in the passenger side window with your student’s last name clearly written in large print.
- Place locks, textbooks, and library books in a plastic or paper bag, with the last name clearly written on the exterior, and place that bag in either your backseat or trunk.

As you enter the main driveway to Avon Middle School, you will see our safety and security specialist at the base of the circle that leads to our typical bus lane. Mr. Barboza, our safety and security specialist, will read family signs through your car window and will call ahead with your student’s last name to our team in the building.

Drive into the circle, you will be guided to a stopping point, where your student’s end of year bag will be placed in your vehicle and a staff member will take the textbook bag out of your vehicle.

The end of year bag will contain the contents of their locker, their yearbook (if pre-ordered), 8th grade celebratory t-shirt (for students in grade 8), and awards/certificates of recognition, if applicable.

We ask that you bring your AMS student with you for this process, as we will have many (socially distant) AMS faculty and staff spread throughout the campus each afternoon to send our students off for a great summer! AMS faculty and staff involved in material return/pick up and those waving around the circle will be adhering to the Governor’s Executive Order as it pertains to face coverings and social distance guidelines.
