Hello Thompson Brook School Families:

At this time of the year, we would have already had the opportunity to meet many of you, and your students, through our parent coffee events, through visits to Thompson Brook School, and in various informal settings. While the COVID19 shutdown has changed the way “we do business” right now, we are still looking for ways to connect with you and your students, to ensure that the transition to Avon Middle School is as seamless as possible. Whether in remote or brick-and-mortar settings, we are so excited to welcome you and your family to our AMS community and cannot wait to support your student’s academic and social emotional growth over the next two years.

We will host two virtual Parent Coffee sessions, for you to join our administrative team, 7th grade school counselor and a few teachers to review the AMS Parent Coffee presentation that we will share with you, via email, next Friday (5/22/20). There will be a Zoom link (video conferencing platform) included in that email for you to use based on which Parent Coffee session works better for your schedule. You do not need a Zoom account to join- you will be able to click the link or enter the meeting ID/password to “enter” the meeting. We will do a brief overview of the presentation and then take questions and answers that will be answered aloud for the entire group.

Virtual Parent Coffee sessions:
May 26, 2020, 1:30 p.m. -2:30 p.m.
May 27, 2020, 8:30 a.m. -9:30 a.m.

If there are questions that you would like us to address during the session and would like to email them in advance, please email Dave Kimball (dkimball@avon.k12.ct.us) and Kristina Wallace (kwallace@avon.k12.ct.us). If you have specific questions related to a unique circumstance with your student, please feel free to reach out to either of us or your student’s school counselor, Cara Boland (cboland@avon.k12.ct.us) outside of the Parent Coffee sessions. Looking forward to “meeting” so many of you virtually!

Enjoy the weekend,
Dave and Kristina
