

Dear Future AMS Families,

Here is a quick clarification on a recent correspondence about course selection.

This week you received a message about the course selection portal being open. We know things are hectic, so we pushed sending this out a few weeks, and we intend to leave the portal open for as long as needed. Again, it is only to choose a World Language and what ensemble you may be interested in. If you chose not to participate in an ensemble, that is fine. If we need to, school counselors will reach out to you to confirm. In a good year, this process takes over a month to collect the information we need, so in our current situation we anticipate this will be a longer process. Again, we are here to walk you through it, and there is no need to fret, we have plenty of time.

We hope you and your family are well at this time.

Sincerely,

Dave Kimball
Principal
