

Avon Newcomers

making friendships that last a lifetime

The Avon Newcomers Club is a non-profit social organization whose purpose is to welcome newcomers to our beautiful town, to provide programs and social activities of interest to the membership, foster new friendships and to encourage community involvement. Membership is open to all residents who have lived in Avon for seven years or less. Membership in the Avon Newcomers allows you to attend our frequent social events, participate in our interest groups, and attend our general meetings. We would love to get to know you and have you join our social organization. We encourage you to visit our website for more information at www.avonnewcomers.com. Welcome, and we hope to see you around town!
