

# 2019 Farmington Land Trust Photo Contest

The Farmington Land Trust invites photographers of all ages in the original Farmington Township (Berlin, Bristol, Southington, Avon, Burlington, Plainville, New Britain, and Farmington) to participate in a contest showcasing the natural world on properties that we preserve and protect. To find eligible locations, visit our website [www.farmingtonlandtrust.org](http://www.farmingtonlandtrust.org) and go to “Properties & Hikes” select “Hikes”. Take your photos on any of these sites then post your entries to Instagram and/or Facebook, with the hashtag #fltphoto19. In addition, hashtag the site where the photo was taken and geotag your entry. We will only accept photos shot during the calendar month and year for which they are entered.

One Winner will be chosen monthly for a \$50 prize by the number of “likes” accrued on social media as well as by the decision of our judges. The images will be judged on originality, technique, and demonstration of the mission and values of the FLT. While multiple submissions are welcomed and an individual may win multiple times, judges will encourage a broad pool of submissions and applicants.

Monthly winning images will be posted on the FLT website as well as our Instagram and Facebook feeds and may appear in a future FLT calendar. At the end of the year, the twelve winning images will be reviewed by a panel of judges. The three top winners will receive cash prizes of \$300/\$200/\$100.

More information on the FLT and the contest including a downloadable entry form is at [www.farmingtonlandtrust.org](http://www.farmingtonlandtrust.org).
