

PowerSchool - Viewing Report Cards

Step 1: Sign in to your Parent PowerSchool Account.

If you have not created a Parent account in PowerSchool, please use the following directions to create an account: [Creating a PowerSchool Parent Account](#).

The screenshot shows the PowerSchool login interface. At the top, there is a dark blue header with the PowerSchool logo and the text "PowerSchool". Below this is a white box titled "Student and Parent Sign In". Inside this box, there are two buttons: "Sign In" and "Create Account". Below the buttons are two input fields: "Username" and "Password". To the right of the "Password" field is a link that says "Forgot Username or Password?". At the bottom right of the sign-in box is a "Sign In" button. Below the sign-in box is a link that says "Below is a link to instructions on creating an account, adding students to an existing account and more Powerschool Parent Portal User Guide".

Step 2: Choose the Report Card option on the left hand side menu. If you have multiple students connected to your Parent PowerSchool Account, you can use the tabs above the Navigation menu to toggle between the students.

Step 3: You may use the printer icon to print the report card if you would like a hard copy.
