

# PINE GROVE ELEMENTARY SCHOOL SUGGESTED SUPPLIES FOR KINDERGARTEN

2021-2022

Dear Parents,

Welcome to Kindergarten! Parents sometimes ask for suggestions for school supplies. If you will be shopping for supplies, here is a suggested list of some of the materials that we will use this year. We do not require that these be purchased. We offer them only as suggestions if you like. We look forward to seeing you in August!

Your child will need to bring a backpack, large enough for papers and projects, to school each day. Before you buy, be sure your child can independently open and close it. We do not recommend the drawstring variety as the strings can get caught, and experience has proven that the children cannot manage them easily and safely. Thank you.
