In the classroom: WOW! What an amazing first week at Pine Grove School. New friends, new teachers, new routines, and our students and staff rocked it! Everyone is so excited to be back and we want to keep the positive vibes going, so here are a few tips to start the year off right:

- **Routines!** Have a quick chat this weekend together as a family. How did week one go? Do you have a set bedtime, set time to read each night, and plan for the papers and announcements that will come home this year?
- **Come to Curriculum Night.** It is scheduled for next week. This event is for grown ups only. Please come ready to hear about the coming year and meet your child's teacher.
- Know our school's mission statement: **"Together we share, discover, create, and achieve."** This year we will work as a team to be our best! Ask your child what working as a team means and how he or she can be a great teammate this year.

Have an amazing long weekend, see you Tuesday!
