From the Principals:

Happy New Year! We are so fortunate in the education world to get two official fresh starts. One in September and another at the start of the new calendar year. While many people talk about resolutions, it is widely known that these don't often stick for most of us. Rather than resolving to do something differently, we invite you to consider thinking about the following, and having a family discussion about it:

- 1 thing you are proud of from 2019
- 1 thing (or more) that you learned in 2019
- 1 book you read and enjoyed in 2019
- 1 thing you want to do better in 2020
- 1 thing you are looking forward to in the new year.

This format provides an opportunity to teach our children about being reflective, and appreciating what we have. It also allows us to set positive intentions for the new year and helps us look ahead to happy times to come. We wish all of our families at PGS a healthy and happy New Year.

~Mrs. Borio and Mr. G
