PTO After School Activities:
This is a very important change for the year 2019. We are no longer requesting notes from parents for students who stay after school for a PTO activity. If your child is signed up for an activity they will stay after school. The only time you will need to send in a note is when your child is not staying for the program. This is for PTO sponsored enrichment programs only. We still require a note for activities like Girl Scouts, Brownies and Daisies.
