### **From the Principals:**

Hello Families. We hope this newsletter finds you safe and healthy at home. When we thought about reaching out with our weekly Trending Now newsletter, we realized that there is only one thing that seems to be trending. This unprecedented situation we are in has forced us all to think differently about the way we do life as we know it. Since we left PGS last week we have been planning and discussing (virtually) how to provide learning experiences to the children of Avon. We are so impressed by how responsive our teachers and staff have been about the prospect of distance learning. We are excited to get started next week. Please check your email on Monday as well as the Avon Public Schools website for more information.

In the meantime, we encourage you to continue to have your children read, enjoy time together, and get excited for our distance learning to begin next week!

~Mrs. Borio and Mr. G
