## From the Principal:

With one week remaining during the month of March, I hope you have taken full advantage of Family Literacy Month and our one school one book program. Next week is the last week and we will hold our grand prize drawing for those students who have participated in the at home challenges. The final chapter will be read on Friday, March 29th. While family literacy month has only one week remaining, our hope is that it helped to foster some positive routines at home focused on nightly reading. Readers are leaders! - Mr. G
