From the Principals: As this school year begins to come to a close, the teachers and staff are busy working on plans for how our year ending will look in this remote environment. While in school we might have picnics, field days, and celebrations that help us remember our year together, our distance learning environment makes things challenging. BUT, a challenge never stopped PGS from doing great things! We are busy planning a special celebration as a school. We will be having reverse parades. Rather than staff parading around and waving from our cars, we will be at PGS and you and your family will parade through the parking lot while we cheer and wave to our students and families from the sidelines. These parades will take place during the last official week of school June 15th - June 17th and more specific details will be out to you next week. We will be breaking up the school into grade levels so that we will be able to safely maintain social distancing guidelines for our staff. We are all very excited to be able to see our students and do a special goodbye to end the school year. Stay tuned next week for more details.

~Mr G. and Mrs. Borio

Mrs. Cohen and Mrs. O'Brien have put together a display of artwork from our talented PGS and RBS K-4 students. **Click the heart** to view the artwork that will be shared with staff and residents of local nursing homes and assisted living facilities to let them know we are thinking of them and send them hope, love & thanks!

Art from the  PGS & RBS
