## In the classroom:

On Monday, students who completed their summer reading were able to finally cash in and try their hand at dunking the principals and even some brave staff members. This was the culminating activity for our 2018 summer reading celebration. The result? PGS students have great aim because our staff members were dunked over 40 times. Each grade ended the session with a reminder to read, read, read this school year. The event was sponsored by our amazing PTO who arranged for and helped to man the dunk tank. Have a wonderful weekend and stay dry. - Mr. G

**Shout Outs!** A big THANK YOU, to the PTO for sponsoring the Dunk Tank and to our staff and teachers who were willing to get dunked by students. Congratulations to all the students who completed their reading logs and had the opportunity to DUNK..
