In the classroom:

Greetings and Happy Friday!

Today, our entire school community joined together for our first town meeting (school assembly) for the 2018-2019 school year. During the meeting, a class from each grade level shared their social contract (class rules & expectations). The conversation centered around common expectations we all have for one another here at PGS. We discussed treating others with kindness and respect, working hard, and including others throughout the year. We kicked off our first Character Pillar: Citizenship! For the next several weeks we will be talking about what good citizenship looks like and our staff will be on the lookout for students who we "catch" exemplifying good citizenship here at school. Students we "catch" will be recognized with a Piney's Paw (sticker and small note of appreciation) and entered into a drawing to have breakfast with the principals. Do not be alarmed if you receive a call from our 4th graders letting you know about your son or daughter's achievement too! We love to look for the good happening here at Pine Grove. I encourage you to let Mrs. Borio or me know when you see something positive this year as well! Have a great weekend! - Mr. G

Shout Outs!

Thank you to **Julia Steremberg** and **Julia Olander** who were recognized at our town meeting today for their efforts to beautify PGS this summer. The plants and mulch look amazing! Shout out to **Gabby Gavern** who joined **Violet Jakupco** as host for our town meeting. To **Mr. Moss's class** for sharing: Why we Read. To the **4th Grade Community Council** for presenting their skit on Citizenship. We thank you for showing us many ways to be good citizens this year.

PGS Minute

September

29 Avon Celebrates CANCELLED due to wet fields

October
