In the classrooms:

Safe, Respectful, and Responsible. These three words have been the cornerstones of our conversations during the opening weeks of school. Together, we have spent a lot of time discussing how these three words should look, sound and feel. Students have joined Mrs. Borio, their teachers, and me in the gym, on the playground, in the cafeteria, the bus, and of course in their classrooms to set the tone for the 2019-2020 school year. Here are some of our favorite examples from students:

I will be safe by:

Keeping my body in control (Hands/feet to myself)
Using (equipment/materials) the right way

I will be responsible by:

Helping others
Taking care of my school (picking up after myself)
Reading each night

I will be respectful by:

Following the directions
Including everyone
Treating others the way I want to be treated
Not arguing

We had many more, some that apply everywhere (like these examples) and some more specific to a place. (Like use good table manners). I encourage you to discuss this topic at home this weekend. Letting your child know that you also expect these good character traits helps us to be better, together! Have a great weekend. - Mr. G
