TBS CARES! Care, Acceptance, Respect, Empathy, Safety

Open House

It was great to see all of our families represented at Open House this week. If you were unable to attend, we have scheduled parent conferences in November & March, and Spring Open House in May. As always, contact your child's teacher along with way with any questions or concerns.

Roaring Brook Nature Center - Coming up on Sept. 23 & 26 our 5th grade students will be visited by Roaring Brook Nature Center to support the Science Curriculum. 6th grade will host RBNC in the Spring.

Gifts of Love - a reminder to those who may be in need of additional support, the attached Gifts of Love flyer has information to sign up for weekly food deliveries.

Chromebooks - All of our students have been assigned a Chromebook that will be their personal device this year. Know that we expect and inform students about online safety, care for the device, and that Chromebooks are for school use only.

TBS to Offer Math Olympiad During School Day

This year, TBS will offer both grade 5 and grade 6 Math Olympiad programs during Targeted Instruction period on Mondays. Weekly Math Olympiad meetings focus on learning strategies to solve challenging math problems, before students compete in monthly math contests. Students who signed up for our PTO's morning Math Olympiad will be given a refund. PTO will run the morning session if there are still enough students interested in that time. Math Olympiad registration information will be sent home this week.

ECollect Forms Needed

ECollect houses forms parents/guardians are required to complete each year. These forms include: Back to School student, parent, and emergency contact information, health/medical information, technology use forms, and our media release permission form. Each year, parents/guardians must update information or verify current information is correct. You may access the parent portal at avon.powerschool.com and locate 'ECollect Forms' under navigation.
